NFAC #5524/78

7 December 1978

MEMORANDUM FOR: Director of Security

THROUGH : NFAC Security Officer

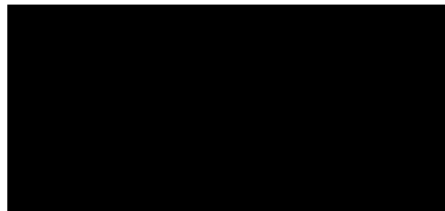

FROM : Associate Coordinator for Academic Relations, NFAC

SUBJECT : Request for OS Indices Checks and Security Clearances

1. Attached is a list of academic dignitaries being considered for addition to the DCI's roster of university presidents to be invited to the Headquarters Building on 15 February 1979. Discussions are usually held at the Secret level.

2. Prior to presenting the list of new nominees to the DCI, a priority OS indices check would be appreciated. Once the list is approved, written invitations will be sent out by the Coordinator for Academic Relations in NFAC. Therefore, the OS indices check should be followed as soon as possible by a clearance at the Secret level for these individuals to participate in the DCI discussions.

3. Your assistance in this matter is appreciated.
